SUPPLEMENTARY INFORMATION:

Scope Comments

On August 12, 2013, WSP Pipe Co., Ltd. (the sole mandatory respondent in the concurrent antidumping duty investigation on OCTG from Thailand) submitted scope comments

to the Department regarding certain “pierced billets” and asked that the Department determine that such merchandise was outside of the scope of this and other OCTG investigations.

Petitioners filed rebuttal comments on August 22, 2013. We have not made any modifications to the scope of the investigation. For more information, *see* the “Decision Memorandum for the Preliminary Determination in the Antidumping Duty Investigation of Certain Oil Country Tubular Goods from Saudi Arabia,” from Christian Marsh, Deputy Assistant Secretary for Enforcement and Compliance, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with this determination and hereby adopted by this notice (Preliminary Decision Memorandum).

Tolling of Deadlines for Preliminary Determination

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013.¹ Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department’s practice, the deadline will become the next business day.² The revised deadline for the preliminary determination of this investigation is now February 14, 2014.³

The Department conducted this investigation in accordance with section 731 of the Act. Constructed export price (CEP) has been calculated in accordance with section 772 of the Act. Normal value (NV) has been calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS). The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Preliminary Determination

The Department preliminarily determines that the following weighted-average dumping margins exist:

Exporter/Manufacturer	Weighted-Average Dumping Margin
Duferco SA	2.92 %
All Others	2.92 %

Section 735(c)(5)(A) of the Act provides that the estimated “all others” rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely under section 776 of the Act. The “All Others” rate is

based on the weighted-average dumping margin calculated for Duferco SA, the only company for which the Department calculated a rate.⁴
